Help us bring Ultrafast Full-Fibre broadband to

We're **registering interest** to build a government-funded Ultrafast fibre broadband network for your community.

Up to 1,000 Mbps

15x faster than the UK average broadband speed

Free Installation

Subsidised by government rural connectivity vouchers

From £35 per month

And you don't need a costly landline to use our service.

Community-focused

From our engineers to customer service, we're local to you.

We've worked with local communities like yours to deliver Ultrafast connections across across Dorset, South-Wiltshire, South-Somerset and parts of Hampshire too.
